Restoration of certain inam lands to the Anjaneyaswami temple at Netikere, Channarayapatna Taluk.

Letter № 2063 dy 29. 10. 1903 from the Revenue Comr in Mysore.

The temple above mentioned was endowed with inam lands, Sy.rs № 30, 36, 49, 66 & 24, measuring A 13 - G 21 and assessed at Rs 17/-. The Jodi leviable on these lands was Rs 5/-. These lands were shown as inam in the Quit Rent Register of 1879. In the Vasul Baki Jakhta prepared during the Settlement of 1884-85 the lands were shown as inam & continued to be treated as such. The Jodi of Rs 5 was being regularly levied. When the final quit-rent register was received, the Amildar noticed that these lands were not to be found in the registe. He then referred to the old registe which showed the lands as inam. Then a reference was made to the registe of resumptions, which showed that the inam lands were ordered to be

Revenue Commissioner in Mysore.

To

Secretary to the Govt. of H. H. the Maharaja of Mysore,
General and Revenue Depts.

SIR,

I have the honor to forward herewith letter No. 139/R, dated 24th April 1903, from the Deputy Commissioner, Hassan District, bringing to notice that the marginally noted Inam lands originally belonging to the Anjaneya-swami temple at Nettikere village in the Chennarayapatna Taluk, were resumed to Government in 1860, but continued to be shewn in the Village Accounts as Inam and allowed to remain in the possession of the temple. In view of

Nos. 1, 36, 49 & 224.

of the fact that the temple has been kept in good repairs and worship carried on regularly, the Deputy Commissioner requests that the inam lands may again be formally restored. Under the circumstances reported, I beg to recommend that a formal regrant of the inam lands may be sanctioned Strictly the temple would be liable to pay the difference between the assessment and the jodi for the years the lands were in the possession of the temple since 1880. As the temple is not primarily responsible for the mistake, the accumulated arrears of the difference may also be remitted.

Sir,

I have the honor to state that on looking over the final quitrent Register of the Chennarayapatna Taluk, it was found that the marginally noted 5 Survey numbers measuring in all 13-21 (a g) assessed at Rs 17-0-0 of the Yetikere village of the Bagur Hobli were omitted therein though the same had been borne on the village accounts as Inam in the name of Anjaneya Swamy of that village. Reference was then made to the Quitrent Register dated 20th April 1879 which showed a sum of Rs 2-8-0 being the

* Survey numbers 1, 30, 36, 49, 66 and 84.

the amount of Jodi levied on the lands in question. On further enquiry it was ascertained that these numbers were resumed to Government land a Register of resumptions was received in the Taluk on 28th July 1880, these numbers being shown therein against Serial numbers 568 and 569. The Amildar reports that probably the fact of resumption of these lands to Government was not intimated to the village officials who consequently did not effect any alteration in the village accounts and at the time of Survey Settlement which took place in 1885-86, they were treated as Inam as per village accounts and the Survey Registers were prepared accordingly. If the lands are to be considered as Sircar as per Resume Register of 1880, a sum of Rs 215/- has to be collected as arrears on the lands. Both the villagers and the Pujaris plead their inability to pay this heavy sum and state that as this temple of Anjaneyaswamy is the only

one

one in the village for worship and no other Inam lands are attached thereto, these lands may be continued as Inam since the temple of Anjaneya Swamy has always been kept in good order and worship going on in it.

2- Under the above circumstances, I request that you will be pleased to order the restoration of the Inam. The Vernacular records pending with General Assistant Commissioner's yadi No: 703 dated 21st January 1903 are herewith submitted for reference.

I have the honor to be
Sir
Your most obedient servant

Deputy Commissioner
